***An innovative and durable solution for realistic airway management training***

**“We are loyal to the AirSim manikins because they are the most realistic models on the market”**

*-Patrick Ross, Los Angeles Children’s Hospital*

**“Having seen over 300 providers so far, there is no difference from the product new and the way it is a year later”**

*-Christopher Graham, Albuquerque Ambulance*

**“I wanted to restate that in my 42 years of practicing Respiratory Therapy- I have never seen a more complete line of airway manikins”**

*-John T. Murphy, Franciscan St Francis Health*
