

AirSim Baby X

Product Code: JR10001X

Weight: 2kg

Dimensions: 32 x 19 x 19cm

An innovative and durable solution for realistic airway management training

“The incredible realism and anatomically correct details provide our pediatric anesthesiology and critical care learners an experience similar to a real clinical scenario”

-Patrick Ross, Los Angeles Children’s Hospital

“Having seen over 300 providers so far, there is no difference from the product new and the way it is a year later”

-Christopher Graham, Albuquerque Ambulance

“I wanted to restate that in my 42 years of practicing Respiratory Therapy- I have never seen a more complete line of airway manikins”

-John T. Murphy, Franciscan St Francis Health
